KIT BELLO

REPOLSIHING MARBLE KIT

HOW

• Moist with water the stain to restore, then rub with the **WHITE** pad making circular movements.
• Clean with dry cloth. The area concerned must be still matt but free from scretches and holes.
• Moist with a little quantity of water and rub for 1 minute making circular movements, using the **RED** pad. Dry with clean cloth.
• Proceed as above indicated using the **GREEN** pad.
• Place the polishing powder on the stain to remove and cover it with a cloth. Moist with some drop of water then energically rub for approx. 1 minute.
• Clean with a dry cloth
